**Preamble –**

Dam Rehabilitation and Improvement Project (DRIP) is one of the flagship projects of the Ministry of Water Resources, River Development and Ganga Rejuvenation, Government of India and the World Bank with the objective to improve safety and operational performance of selected dams alongwith institutional strengthening with system wide management approach.

Central government has decided to implement DRIP-II project with the assistance of World Bank. In this project there are various dams from Maharashtra State. Under this project Maharashtra is expected to receive fund about Rs. 940 Cr.

As DRIP-II project is being implemented with the assistance of World Bank, it is mandatory to provide various administrative arrangements as per the Directives, Terms & Conditions of World Bank for effective Project Management. Accordingly Central Government has issued necessary instructions to participating states.

For Project Management at National level, Director, Dam Safety Organization, Central Water Commission, Seva Bhavan, New Delhi has formed Central Project Monitoring Unit (CPMU).

Accordingly, formation of State Project Monitoring Unit (SPMU) was under consideration of Government of Maharashtra at State level. Government of Maharashtra has taken following decision.
